

Additional information about the stay in the Moselle Adventure Forest under the conditions of the Corona Control Regulation Rhineland-Palatinate

1. Registration: Please fill out the form very legibly and conscientiously.
2. per group / family we need a complete address including **telephone number** (the number where you can best be reached if necessary) and email address. We will not use your data for any other purpose!
3. Discounts / voucher redemption:
 - a. Coupons, which were bought with us (!), can be used as normal.
 - b. Vouchers that we have donated can only be redeemed when the park operation is allowed without restrictions.
 - c. The family and group discount of € 2,- which we grant can be applied.
 - d. Price reductions such as Schlemmerblock or similar cannot be accepted in the current time either. We ask here for your understanding.
4. Additional information about your stay in the park.
 - a. On arrival, during harness issue and fitting, as well as during instruction - i.e. until the start of the climb itself and as soon as you are back on the ground after a climbing tour, **masks are compulsory**, unless there are no other guests nearby. If you do not have a mouth and nose protector with you, you can purchase one from us for € 1,-.
 - b. **Each group must be assigned a specific table, this is not negotiable but a requirement.** This table is 'your' table for the duration of your stay in the park, and you are not allowed to use another table to sit down and take a break. You can put your things here. Please leave valuables in the car. Only in exceptional cases can we put them away for you. Further information on table use: see 5.b.
 - c. Persons who only accompany and do not climb must be registered at the moment. Please list these persons and mark them as companions.
 - d. The deposit fee is not applicable. We trust in your cooperation and honesty. At this point we would like to avoid possible congestion and encounter movements
 - e. The side entrance is closed because the path is used for toilet use.
 - f. **Toilets:** please make sure that you do not get too close to each other in the toilet area. Have consideration for others. The outer doors remain completely open so that you can always see whether the inner doors are closed or not and whether someone is standing at the sink.
5. **Rations:**
 - a. You can get supplies in our **kiosk** or bring your own things.
 - b. **We charge € 10,- for the use of the table - but you will receive a voucher for food, which you can redeem at the kiosk.** This measure is necessary because we have to document the table occupancy, disinfect the tables before each change and have a considerable extra workload with the handling.
 - c. You are also welcome to bring your own food. However, we would ask you to take all the waste back with you and thank you for your help.
6. **With your registration you confirm that you will at all times comply with the national regulations and distance rules and that you will follow our instructions and the concrete instructions of the trainers in the park.**
