DIRECTIONS

Mosel Adventure Forest
Kletterwald Mont Royal
An der K64 zwischen Gewerbegebiet/ Flugplatz und Feriendorf
56841 Traben-Trarbach

Depending on your navigation device, you must either enter „Traben-Trarbach Zentrum“ and then follow the signs to the Gewerbegebiet (“Commercial Area”) or enter “Über den Weinbergen“ to reach the vicinity of the park. Use this only for approach - do not turn into this street. Instead, if coming from Traben, drive about 400 m further on the K64. Coming from Wittlich the destination is 400 m prior to the turnoff on the right just before the end of the forest. Due to the park location in a forest, a direct address is not possible with many navigation devices. If you can use the mobile version of Google Maps for navigation, you can directly enter „Mosel Adventure Forest“ as the destination is already stored there.

Mega Zipline Course with secure ascents

The Park

Fun for the whole family

A world of excitement awaits you! Ropes bridges, beams and other obstacles present you with a variety of challenges on your personal adventure! Set amidst the picturesque Mosel Valley embedded between the Vulkaneifel and the Hunsrück, the park lies in an old Douglas Fir forest high on top of Mont Royal, the ancient ruined fortress of Ludwig XIV.

Explore nature from a different perspective. Enjoy discovering your limits and experience the satisfaction of mastering a challenge! Don't feel like climbing? Then simply watch whilst enjoying a cold drink and a snack on our roof terrace.

The Trails

- 4x Children's Trails**
Light elements 2 metres high for children from 5 years old and beginners
- 2x Beginner's Trails**
Light elements for beginners or for warm-up
- 2x Gourmet Trails**
Medium difficulty where technique and coordination are as important as power
- 3x Fun Trails**
Sophisticated elements including a suspension bridge
- 1x Professional Trails**
Only for the experienced or daring
- 3x Iron Man Trails**
A challenging trail to push professionals to their limits
- 1x Strong Man Trail**
It may be only 30 centimetres high but it's our toughest trail!
- Climbing Centre**

SAFETY FIRST!

We don't leave you hanging...

Regularly TÜV-tested equipment, trained instructors and thorough briefings in the use of the safety equipment ensure unparalleled climbing fun. Safely secured, you can independently climb and balance from station to station.
